TRAVEL ARRANGEMENT

The XVIIIth conference MEMSTECH 2022 will take place in Polyana/Svalyava, Zakarpattya region, Ukraine, in the Carpathian Mountains and approximately 190 km drive south of Lviv. Lviv is one of the oldest historical cities in Europe - industrial and educational centre of western Ukraine. There are international airport, railway, and bus stations in Lviv. We hope that the wonderful scenery and healthful air of the Carpathian Mountains will make for fruitful work at the conference and leave pleasant memories about it.

Paper submission

Length of papers are from 4 to 5 full pages.

The full paper should be prepared in WinWord format with page set up to A4 (210 x 297 mm) size paper.

Full paper should be submitted to the Organising Committee only in electronic form (MSWord, Rich Text Format).

The required format is available on the Conference Web Page. Authors are asked to indicate the topic into which their papers fall.

Papers will be printed in the proceedings directly from the files submitted by the authors.

All accepted papers and oral (or poster) presenting at MEMSTECH-2022 will be submitted for revision to IEEE Xplore Digital Library. "No-show" papers won't be submitted for inclusion in IEEE Xplore Digital Library.

Topics include, but not limited to

- Devices ranging in size from microns to millimeters,
- Micro actuators,
- Micro robots,
- Micro batteries,
- New materials and designs for MEMS,
- IC-compatible fabrication techniques,
- Other fabrication techniques,
- Measurement of micro phenomena,
- Theoretical results,
- Electrical interconnections,
- Micro telemanipulation, and standards appropriate to MEMS;
- Application examples and application oriented devices in fluidics, optics and bio-medical engineering.

Visa policy of Ukraine

Citizens of most contries in Europe, North America and Asia do not need visa to enter Ukraine. The list of Countries which have Visa-free Movement Regime with Ukraine can be found at:
