

WELCOME TO THE 11TH INTERNATIONAL YOUTH SCIENCE FORUM «LITTERIS ET ARTIBUS»!

Authors of original papers describing research in the areas corresponding to the scope of our 9 conferences (see overleaf) are invited to participate. Researchers who are yet under 35 on November 21, 2024 are eligible to apply (at least one of the paper authors should satisfy this age criteria).

Submitted papers should be laid out in compliance with templates available from the conference website.

All papers should be written in English in a clear and concise manner.

All applications should be submitted via the website <https://peers.international/lea-2024>.

Please note that now the Forum papers will be reviewed by 2 independent reviewers.

In order to apply an author should:

- register on <https://peers.international/lea-2024>;
- log in and post an application via the particular conference website <https://peers.international/lea-2024>;
- wait for reviews for the manuscript;
- make the necessary corrections according to reviewers' comments (if needed).

Accepted refereed papers will appear in conference digital proceedings to be published by the conference opening on website <https://peers.international/lea-2024>. The conference materials will be published online in PDF. The proceedings will have ISSN. All accepted papers will be published in free access on the conference website with DOI.

Conference participants will present their work on posters (camera-ready poster layouts should be submitted via the conference website on paper acceptance, organizers will print them on size A1 paper) or via ZOOM software online. Selected papers will be presented orally.

CONTACTS

ORGANIZING COMMITTEE LOCATION:

Room 212a, Main Building, Lviv Polytechnic National University, Stepan Bandera str. 12, Lviv, Ukraine

CORRESPONDENCE:

"LEA-2024 Organizing Committee", PO box 6657, 79005 Lviv, Ukraine

Official e-mail: lea.mailbox@gmail.com

CONTACT PERSONS:

Oleksandr Ivashchuk, PhD, Science Forum Secretary
+38 (068) 500-15-57, oleksandr.s.ivashchuk@lpnu.ua

Oleksandr Berezko, PhD, Forum Supervisor
+38 (067) 369-80-34, oleksandr.L.berezko@lpnu.ua

CONFERENCE FEES

Conference fees include paper publication, organizational expenses and a conference's program. Cost of accommodation, meals and social program are not included. Total fee per paper (conference fee will be collected for the author of the highest degree and/or affiliation):

- International participants – 90 EUR;
- Participants from Ukraine – 350 UAH;

Please note that the fee covers the participation in person of the two presented authors only.

DEADLINES

- **October 21, 2024** – deadline for the camera-ready paper and application form submission;
- **November 4, 2024** – reviewers' notification of the paper acceptance or rejection;
- **November 10, 2024** – deadline for fee payment.

WARTIME WARNING

We would like to emphasize that in view of the numerous crimes committed by the Russian occupation forces, the support of the war in Ukraine by Russian scientists and the assistance of Belarus, Iran and North Korea to the Russian invasion of Ukraine, authors and co-authors from Russia, Belarus, Iran and North Korea are not allowed to participate in the conference.

Lviv Polytechnic National University

Warsaw University of Technology

Wroclaw University of Science and Technology

Scientific Society of Students, Doctoral Candidates and Young

PhD Students Board of Warsaw University of Technology

Young Scientists Council at the Ministry of Education and Science of Ukraine

Researchers of Lviv Polytechnic National University

Foundation for Young Scientists

Institute for Open Science and Innovation

Students and PhD Students Board and Union of Lviv Polytechnic National University

Alumni Association of Lviv Polytechnic National University

CALL FOR PAPERS

11th International Youth
Science Forum

November 21–23, 2024
Lviv, Ukraine

International Youth Science Forum consists of 9 academic conferences covering research in different fields of science:

Computer Science & Engineering (CSE-2024)

Information Technology. Software Engineering. Applied and Computational Linguistics. Computer Systems and Networks. Applied Mathematics. Mathematical Modelling and Computational Approaches. Telecommunication Technology, Radio Systems and Devices. Micro-and Nanoelectronics. Information-Measuring Technologies. Metrology, Standardization and Certification. Information Security. World Wide Web and Social Communication.

Geodesy, Architecture & Construction (GAC-2024)

Remote Sensing. Cadastre and Environmental Monitoring. Engineering Geodesy and Geodynamics. Urban Development. Design of Architectural Environment. Architecture of Buildings and Structures. History and Theory of Architecture. Restoration of Buildings, Structures and Works of Art. Architectural Design. Building Construction, Buildings and Structures. Building Materials and Road Construction. Environmental Engineering.

Electric Power Engineering and Control Systems (EPECS-2024)

Electrical Engineering and Technologies. Electromechanics. Automatic Control Systems and Computer Integrated Technologies. Heat-power Engineering. Labor Protection, Social and Personal Safety.

Humanities & Social Sciences (HSS-2024)

Sociology and Social Work. Pedagogy. History, Culture and Museum Studies. Philosophy and Religion studies. Political Science and International Relations. Intercultural Communication. Scientific Discipline of Documentation. Language studies.

Mechanical Engineering, Materials Science, Transport (MEMST-2024)

Modelling, Synthesis, Optimization and Designing in Mechanical Engineering. Materials Science and Surface Engineering. Welding and Related Technologies. Mechanical Engineering Technologies and Materials Processing. Designing, Exploitation and Service of Automotive Machinery. Modelling, Organization and Control of Automotive Transport Processes.

Economics & Management (EM-2024)

Business Economics and Investments. Foreign Trade and Customs. Marketing and Logistics. Management and International Business. Organizational Management. Human Resource Management and Administration. Accounting and Analyzis. Theoretical and Applied Economics. Finances. Administrative and Financial Management.

Chemistry & Chemical Technology (CCT-2024)

Organic Chemistry. Technology of Organic Products. Chemical Technology of Oil and Gas Refining. Chemical Technology of Plastics Refining. Chemical Technology of Biologically Active Substances. Pharmacy and Biotechnology. Chemical engineering. Technogenic and Ecological Safety. Chemical Technology of Silicates. Chemistry and Technology of Inorganic Substances. Analytical Chemistry. Physical and Colloid Chemistry.

Law & Psychology (LPS-2024)

Criminal Law and Procedure. Administrative and Information Law. Theory and Philosophy of Law. Civil Law and Procedure. History of Law. Psychology and Pedagogy. Journalism and Mass Communication.

Environmental Protection, Natural Resource Management and Tourism (EcoTour-2024)

Environmental Security and Audit. Environmental Policy. Environmental Protection Management. General and Applied Ecology. Ecological and Geographic Information Systems. Natural Resource Management. Tourism.
